- I. Welcome and Introductions. (1:00 p.m.-1:05 p.m.)**
- II. Initial Public Comment Period. (1:05 p.m.-1:10 p.m.)**

The committee welcomes public comment on items on its agenda but also provides this initial public comment period for anyone who wants to address the committee on matters within its purview. The Chair reserves the right to ask members of the public to hold particular comments until the appropriate point in the agenda and may also ask that public comments be concluded timely in order for the committee to be able to address agenda items in the time provided.

- III. Discussion and Consideration of Potential *Wayfair* Project. (1:10 p.m.-2:00 p.m.)**

The MTC Uniformity Committee is preparing for the upcoming in-person meetings. Given the recent *Wayfair* decision, the committee would like to get input from the states and from the public on whether there is an interest in working on uniform provisions that might be needed to implement nexus standards or related issues. This will give staff of the MTC an opportunity to prepare anything that would be helpful to the committee at its upcoming meeting.

- IV. Adjournment. (2:00 p.m.)**
